ORDER

THIS MATTER is before the Court on the Defendant's request for early termination of her supervised release. The motion is denied.

Although the Court is impressed with the Defendant's rehabilitation and her continued efforts in that regard, the Court agrees with the Government's position that due to the violent nature of the crimes involved herein and the fact that the Defendant's probation officer does not support the relief sought, the Court declines to terminate Defendant's supervision at this time.

IT IS, THEREFORE, ORDERED that the Defendant's motion for early termination of her supervised release is hereby **DENIED**.
